

Hello Parents,

I am sorry that I have been absent for the past week. Over Rodeo break our family dealt with a series of trials including the tragic loss of two of our dogs, and I ended up in the hospital. I will be fine but will be moving a bit slower for a while. Thank you for your patience during this time and I want to thank Ms. Rodgers and Mrs. Alday for handling things so well in my absence.

Thank you and let me know if there is anything I can help you with.

Dear Parents/Guardians,

This letter comes to you today to inform you that I will be out of the office for an undetermined length of time due to medical reasons. In my absence the front office staff will administer necessary medications and call for major issues while smaller issues will be handled within the classrooms with notes coming home containing information on injuries. This will go into effect beginning March 12th, 2018. I want to assure you that your student's needs will be attended to during my absence.

During this time your patience and understanding is greatly appreciated. If you have questions or concerns, feel free to contact the front office.

Yours sincerely,

Peggy Drawdy
