SAFE PICK-UP AND DROP-OFF

Parents, please note the following requests when picking up or dropping off your student:

- **The Yellow Curb** - This is a quick drop-off and pick-up zone. There is no parking at the yellow curb and you should remain in your vehicle at all times. Please don't ever leave your vehicle while at the yellow curb.
- **The Red Curb** - This is a Fire Lane. For your child's safety, do not drop off or pick up in this lane! There should be no stopping or parking at the red curb. Always pull your car as close to the yellow curb as possible when dropping off or picking up your child.
- **After School** - Parents should pick-up their students between 3:15-3:30 p.m. (K-6th), or between 3:30-3:45 p.m. (7th & 8th). Make sure your child stays in the front of the school and remains there until you arrive. Students who wander into the parking lot or the dirt lot are not safe. Please reinforce this with your student.

Students that have not been picked up by the designated time must report to the After-School Program by 3:30 p.m. (K-6th) or 3:45 p.m. (7th & 8th). If you arrive and don't see your child in front of the school, please park your car in the parking lot, go to the office, and ask they be paged from the After-School Program.

- **Pick-Up Tip** - 3:15-3:25 p.m. is the busiest time in the parking lot. Try to arrive after 3:25 p.m. to avoid the traffic.

Please help keep our parking lot safe for all our students!

TAX CREDITS

Arizona law allows taxpayers to receive a tax credit of up to \$400 for donations that benefit our students. A tax credit reduces what you owe in state taxes, dollar-for-dollar. For more information, including a printable form, please go to our website, LPAcentral.org.

FEBRUARY'S CHARACTER TRAIT: CARING

Caring is defined in the *Oxford English Dictionary* as "displaying kindness and concern for others." By showing kindness and concern for others, we're treating people the way we want to be treated. Showing compassion for others, trying to see the world through another person's eyes, and helping people in need are also aspects of caring. We should all work toward caring more about everyone we encounter each day.

HOMELESS RESOURCES

If your family lives in any of the following situations:

- A shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodation
- Doubled up with friends or relatives because you cannot find or afford housing

Then, you have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act. Contact Homeless Liaison Kathleen Phillips, at kphillips@lpatucson.org, for more information.

LOST & FOUND

Winter brings sweater weather to Tucson. Many students, not used to wearing them, forget their sweaters around school. If your student is missing anything—most likely a sweater—check the Lost and Found at the front office to claim items that have gone astray.
