# **BreakDown Tucson**

**May 2  
8:45-10:15 a.m.**

Teens are faced with many choices. BreakDown Tucson's goal is to help young people recognize which choices are the right ones and why.

Using popular music and hip-hop dance, the amazing BreakDown dance team sets the atmosphere by capturing the audience with professionally-choreographed moves.

Motivational speakers serve as a reality check to live life at a higher standard. Students are engaged, educated and entertained.

Their drama team takes the audience on an emotional roller coaster ride using story lines based on real life situations, concluding with a challenge for teens to live life without regrets.

Our teens deserve to have a strong message of self-control, hope, life and freedom. BreakDown Tucson's goal is to give them that message.

*Note: If you would prefer your student not attend the BreakDown Tucson assembly, Opt-Out forms are available at the front desk.*
