

## ATTENTION ALL PARENTS!

When enrolling your student for the 2018-2019 school year, unless you filled out a Media Opt-out form, you agreed your child could appear in various media, including being interviewed, recorded, photographed, or videotaped for a story or news release. You also agreed that your child's name, photo, or interview could be used in school or district-level publications and/or by the media.

If you do **NOT** want your student photographed, videotaped, and/or audiotaped during school-sponsored activities, learning experiences, and/or media events, you need to sign a Media Opt-Out Form, which is available at Lakeside's front office.

Parents who do **NOT** want their student's name or image used school media events or publications must have a Media Opt-Out Form on file with the school registrar. This form is only valid for the current, 2018-2019 school year. Media Opt-Out Forms need to be submitted annually.
