

## **Dress Code Policy**

The dress code applies to all students on campus before, during and after school hours. It is our philosophy that all students be dressed professionally; ready to learn and participate in their education every day. Our students are required to wear a red, white or navy blue polo shirts (sold in the schools front office) and Khaki or navy bottoms. Shorts, skirts and heels must always be of appropriate, dress-code length or height, and shoulders must always be covered. Please read the Parent/Student Handbook for specifics.

Regardless of your child's age or grade, it is the parent/guardian's responsibility to make sure that each day your child is wearing appropriate clothing to school. By choosing to register your child you are agreeing to abide by the policies we have in place. Parents will be called and expected to provide appropriate clothing if your child is sent to school out of dress code.

We appreciate your cooperation!
